ATTACHED MECHANICAL STAGE WITH 0.65 CONDENSER  
FLUORESCENT ILLUMINATOR

## Description

M220 Series Designed for High School biology, these durable and reliable microscopes are built to last and are backed by our Limited Lifetime Warranty. Select from a wide range of models and features to meet your needs. Pick from traditional models with tungsten bulbs or cool-lite fluorescent bulbs.

A selection of heads are available; chose from models with an inclined monocular head to dual, or "Teaching" heads. All models are parfocal and parcentered. All stages are drilled and tapped to accept optional mechanical stages; while certain models are available with mechanical stages already installed.

Each microscope includes arm-mounted cord wrap, dust cover and instruction manual.
